

We are hiring!

We install and repair commercial food service equipment to various food retail locations (supermarkets, c-stores, deli's, etc.) and food service providers (restaurants, hospitals, nursing homes, schools, etc.) across a territory in southwestern Pennsylvania.

We are looking for a Foodservice Equipment Repair Technician or **Trainee** to join our team! You will be responsible for installing and repairing commercial food service equipment across Westmoreland, Fayette and Somerset counties. We utilize on the job, computerized and factory training schools to educate you and train you how to perform your job.

Responsibilities:

- You will work with customers to install, electrically/mechanically troubleshoot, diagnose, repair, and maintain a variety of commercial food equipment to include cooking, food preparation, ware washers, weigh wrap and bakery equipment.

Qualifications:

- An accredited High School Diploma or GED and 0-2 years of similar electrical/mechanical experience
- You must have a valid Driver's License and ability to drive multiple hours daily
- You should be able to work Overtime and On-Call as required
- You must be able to attend our industry leading training at our corporate headquarters in Troy, OH
- Deadline and detail-oriented
- Ability to thrive in a fast-paced environment

Why work for us?

- Competitive pay
- Paid medical insurance
- Paid vacation and holidays
- Retirement plan with company match
- Extensive on-the-job, online, and classroom training
- Service vehicle, uniforms, and safety equipment provided
- Safety-conscious work environment
